Meaning of Symbols

 Warning:	Warnings must be followed to avoid serious bodily injury.
 Caution:	Cautions must be followed to avoid bodily injury.
 Important:	Important must be followed to avoid damage to this product.
Note:	Notes contain useful or additional information on the operation of this product.
	Indicates related reference content.

Illustrations

The illustrations may differ slightly from the model you are using. Please be aware of this when using the manuals.

Manual Organization

The manuals for the product are organized as shown below.

You can view the PDF manuals using Adobe Acrobat Reader or Preview (Mac OS X).

Setup Guide (booklet)	Provides information on how to setup the printer after unpacking it from the box. Make sure you read this manual to perform operations safely.
-----------------------	------------------------------------------------------------------------------------------------------------------------------------------------

Quick Guide (booklet or PDF)	Explains the necessary basic operations and maintenance for daily use.
General Information (this manual)	Provides important safety instructions, printer specifications and contact details.
Online Manual	
User's Guide (PDF)	Provides overall information and instructions on using the printer and on solving problems.
Epson Video Manuals	Provides videos showing you how to perform maintenance.
Administrator's Guide (PDF)	Provides network administrators with information on management and printer settings.

Opening and Viewing Manuals

Opening Manuals

- 1 See the "Setup Guide" and execute software installation from the supplied software disc or from Setup Navi.
When installation is complete, an [EPSON Manuals] icon is created on the desktop of the computer being used.
 - 2 Double-click the [EPSON Manuals] icon on the desktop.
 - 3 Select the manual you want to view.
When [Online Manuals] is selected, your Web browser opens and the top page of Online Manuals is displayed.
Click the manual or item you want to view.
- You can view the Online Manuals in an environment that can connect to the Internet.

Notes on Manuals

Viewing Video Manuals

The video manuals have been uploaded to YouTube.

Click [Epson Video Manuals (video)] from the top page of Online Manuals, or click the following blue text to view the manuals.

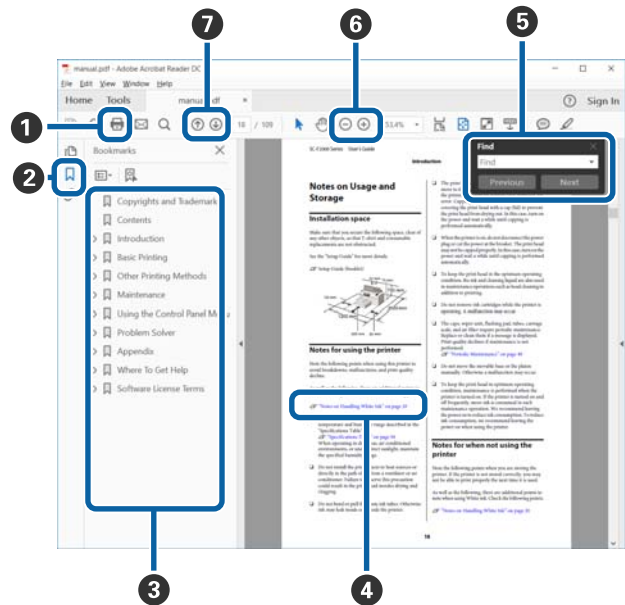

[Epson Video Manuals](#)

If the subtitles are not displayed when you play the video, click the subtitles icon in the image below.

Viewing PDF Manuals

This section uses the Adobe Acrobat Reader DC as an example to explain the basic operations for viewing the PDF in Adobe Reader.

- 1 Click to print the PDF manual.
- 2 Each time it is clicked the bookmarks are hidden or shown.
- 3 Click the title to open the relevant page.
Click [+] to open the titles lower in the hierarchy.
- 4 If the reference is in blue text, click the blue text to open the relevant page.

To return to the original page, do the following.

For Windows

While pressing the Alt key press the ← key.

For Mac

While pressing the command key press the ← key.

Notes on Manuals

- 5 You can input and search for keywords, such as the names of items you want to confirm.

For Windows

Right click on a page in the PDF manual and select **Find** in the menu that is displayed to open the search toolbar.

For Mac

Select **Find** in the **Edit** menu to open the search toolbar.

- 6 To enlarge the text in the display that is too small to see well, click \oplus . Click \ominus to reduce the size. To specify a part of an illustration or screenshot to enlarge, do the following.

For Windows

Right click on the page in the PDF manual and select **Marquee Zoom** in the menu that is displayed. The pointer changes to a magnifying glass, use it to specify the range of the place you want to enlarge.

For Mac

Click **View** menu - **Zoom** - **Marquee Zoom** in this order to change the pointer to a magnifying glass. Use the pointer as a magnifying glass to specify the range of the place you want to enlarge.

- 7 Opens the previous page or next page.

Important Safety Instructions

Important Safety Instructions

Read all of these instructions before using the printer. Also be sure to follow all warnings and instructions marked on the printer.

The symbols on the product

The symbols on this Epson product are used in order to ensure safety and proper use of the product and to prevent danger to customers and other persons, and property damage.

The symbols indicate the meaning below. Be sure that you completely understand the meaning of symbols on this product before using it.

Stand-by

Alternating Current

Notes on Installing

Warning

Do not obstruct the vents on the product.

If the vents are obstructed, the internal temperature could rise and cause a fire. Do not cover the printer with a cloth or install it in a location with poor ventilation. Make sure you secure sufficient space for the installation as described in the manual.

[Setup Guide\(booklet\)](#)

Caution

Do not install or store the printer in an unstable location or a location subject to vibrations from other equipment.

The printer could fall or tip over and cause an injury.

Do not install the printer in locations subject to oily smoke and dust, or in locations subject to humidity or where it could easily get wet.

An electric shock or fire could occur.

Do not tilt the product more than 10 degrees forward, back, left, or right while moving it.

Failure to observe this precaution could result in the printer falling over, causing accidents.

Because the product is heavy, it should not be carried by one person.

Four people are needed to unpack or carry the printer. See the following for details on the product's weight.

["Specifications Table" on page 17](#)

Important Safety Instructions

Caution

Before assembling the product, make sure you clear away the packaging sheets, packing materials, and supplied items from the installation area.

If you slip or trip on these items, it could cause an injury.

Make sure you use the correct posture when lifting the product.

Lifting using the wrong posture could cause an injury.

When lifting the product, make sure you lift at the locations indicated in the manual.

If you lift holding other parts, the printer may fall, catching your fingers and causing an injury. See the following for details on lifting the product.

 *Setup Guide*(booklet)

When placing the product on a stand with casters (wheels), make sure you secure the casters before you perform the work so that they do not move.

If the stand moves while you are performing the work, it could cause an injury.

Do not try to move the stand while the casters (wheels) are secured.

Failure to observe this precaution could result in the printer falling over, causing accidents.

When moving the printer while it is on the stand, avoid locations with steps or uneven flooring.

Failure to observe this precaution could result in the printer falling over, causing accidents.

Notes on Handling

Warning

Do not use the printer in locations with volatile substances such as alcohol or thinner, or near naked flames.

An electric shock or fire could occur.

Do not use the printer if it is giving off smoke or if you notice any abnormal odors or noises.

An electric shock or fire could occur. If any abnormalities occur, turn off the power and unplug the power cable immediately, and then contact your dealer or Epson Support.

Never try to repair the printer yourself as this is extremely dangerous.

Do not use the printer in an environment where flammable gas or explosive gas may exist. Do not use sprays that contain flammable gas inside or near the product.

A fire could occur.

Only route the cables as indicated in the manual.

A fire could occur. This could also cause damage to connected devices.

Do not insert or drop any metallic or flammable items into the openings on the printer.

An electric shock or fire could occur.

Important Safety Instructions

Warning

Do not touch any areas inside the printer except for those indicated in the manual.

An electric shock or burn could occur.

Do not disassemble anything except when indicated to do so in the manual.

If the LCD for the control panel is damaged, be careful of any leaking liquid crystal.

Provide first aid under any of the following conditions.

- If liquid adheres to your skin, immediately wipe it off and then wash the area using large volumes of soapy water.
- If any liquid gets in your eyes, flush them with clean water for at least 15 minutes, and consult a physician immediately.
- If liquid enters your mouth, consult a physician immediately.

If any foreign objects or liquid such as water enters the printer, stop using it immediately.

An electric shock or fire could occur. Turn off the power and unplug the power cable immediately, and then contact your dealer or Epson Support.

Caution

Do not sit on the product or place any heavy objects on the product.

Be careful with small children. The printer could fall or tip over and cause an injury.

When transporting or storing the product, be sure that it is level: do not tilt it at an angle or place it upside down.

Ink could leak.

Store the cutter in a location out of the reach of children.

The cutter's blade could cause an injury. Pay careful attention when replacing the cutter.

When connecting cables or optional accessories, make sure they are installed in the correct direction and that you follow the procedures exactly.

A fire or an injury could occur. Connect the cables or optional accessories correctly by following the instructions in the manual.

When moving the product, make sure it is turned off, the power cable is unplugged from the outlet, and all connecting cables have been removed.

If cables are damaged, an electric shock or fire could occur.

Except when moving the stand, make sure the two casters (wheels) on the stand are secured.

If they are not secured, an accident could occur.

See the manual to make sure the roll core for the auto take-up reel unit* is secured correctly.

Dropping rolled-up prints could result in injury.

To remove rolled-up prints from the auto take-up reel unit*, you need two people, one to hold each end of the roll.

If this is performed by one person, the rolled-up prints could fall and cause an injury.

Important Safety Instructions

Caution

Be sure that your hands or hair do not get caught in the auto take-up reel unit* while it is operating.

Failure to observe this precaution could result in injury.

* Optional item.

Notes on the Power Supply

Warning

To prevent ground leak accidents, connect to a grounded (earthed) outlet.

Connecting to anything other than a grounded outlet could result in electric shock or fire.

Use only the type of power source indicated on the printer's label.

An electric shock or fire could occur.

Do not use the plug if any foreign objects such as dust have adhered to the plug.

An electric shock or fire could occur.

Do not use any other power cables except for the cable supplied with the printer. Also, do not use the power cable supplied with the printer for any other devices.

An electric shock or fire could occur.

Do not use the power cable if it is damaged.

An electric shock or fire could occur. If the power cable is damaged, contact Epson Support. Note the following points to avoid damaging the power cable.

- Do not modify the power cable.
- Do not place anything heavy on the power cable.
- Do not bend, twist, or pull forcefully on the power cable.
- Do not route the power cable near heaters.

Do not connect too many cables to the power outlet for the power cable.

The temperature could rise and cause a fire. Connect the power cable directly to an outlet for domestic use.

Do not insert or unplug the plug with wet hands.

An electric shock could occur.

Make sure the blades on the plug are inserted completely into the power outlet.

An electric shock or fire could occur.

Unplug the plug regularly and clean between the blades and around the base of the blades.

If the plug is plugged in for an extended period of time, dust collects around the base of the blades and a short circuit or fire could occur.

When unplugging the plug, grip the plug itself; do not pull the power cable.

If the cable is damaged or the plug is deformed, an electric shock or fire could occur.

Important Safety Instructions

Caution

If you are not going to use the printer for an extended period, unplug the printer for safety reasons.

Notes on Ink Cartridges

Caution

Do not shake the ink cartridges too hard.

Ink may leak from the cartridge if you shake it too hard.

Do not disassemble the ink cartridges.

If it is disassembled, ink could get in your eyes or adhere to your skin.

If ink contacts your skin or enters your eyes or mouth, immediately take the following actions.

- If ink adheres to your skin, immediately wash it off using soap and water.
- If ink enters your eyes, rinse immediately with water. Failure to observe this precaution could result in bloodshot eyes or mild inflammation. If problems persist, consult a physician immediately.
- If ink enters your mouth, consult a physician immediately.

Store the ink cartridges in a location out of reach of children.

Notes on Paper

Caution

Do not rub the edges of the printing paper with your hand.

The edges of the paper are thin and sharp and could cause an injury.

Other Notes

- Be sure your power cable meets relevant safety standards of the area where you plan to use it.
- Connect all equipment to properly grounded power outlets.
- Do not put your hand inside this product or touch the printer head during printing.
- Do not put your hand inside this product or touch the white flat cable during printing.

Supported Paper

Supported Paper

The following paper can be used with the printer. Print quality is greatly affected by the type and quality of paper used. Choose a paper suited to the task at hand. For information on use, refer to the documentation supplied with the paper or contact the manufacturer. Before buying paper in large quantities, try printing on a smaller sample first and check the results.

Roll paper

Roll core size	2 or 3 inches
Roll paper outer diameter	2 inch roll core: less than 103 mm 3 inch roll core: less than 150 mm
Paper width	SC-P9500 Series: 254 mm (10 inches) to 1,118 mm (44 inches) SC-P7500 Series: 254 mm (10 inches) to 610 mm (24 inches)
Paper thickness	0.08 mm to 0.5 mm

Cut sheets

Paper width	SC-P9500 Series: 210 mm (A4) to 1,118 mm (44 inches) SC-P7500 Series: 210 mm (A4) to 620mm*1
Paper length*2	SC-P9500 Series: 279.4 mm to 1,580 mm (B0 series) SC-P7500 Series: 279.4 mm to 914 mm (A1 series)
Paper thickness	0.08 mm to 0.5 mm (0.5 mm to 1.5 mm for cardboard)

*1 The printing area is up to 610 mm (24 inches).

*2 Up to 762 mm for cardboard.

System Requirements

System Requirements

Software for this printer can be used in the following environments. (As of June, 2019)
Supported OS and other elements may change.

For the latest information, see the Epson Web site.

Printer Driver

Windows

Operating system	Windows 10 / Windows 10 x64 Windows 8.1 / Windows 8.1 x64 Windows 8 / Windows 8 x64 Windows 7 / Windows 7 x64 Windows Vista / Windows Vista x64 Windows XP / Windows XP x64 Windows Server 2019 Windows Server 2016 Windows Server 2012 R2 Windows Server 2012 Windows Server 2008 R2 Windows Server 2008 Windows Server 2003 R2 Windows Server 2003 SP2 or later
CPU	Intel Core2 Duo 3.05 GHz or more
Available memory space	1 GB or more
Hard disk (Available volume to install)	32 GB or more
Display resolution	WXGA (1280×800) or better
Connection method with the printer*	USB or LAN connection

* For details on the connection methods (interface specifications), see the following.

 ["Specifications Table" on page 17](#)

Mac

Operating system	Mac OS X v10.6.8 or later
CPU	Intel Core2 Duo 3.05 GHz or more
Available memory space	4 GB or more
Hard disk (Available volume to install)	32 GB or more
Display resolution	WXGA+ (1440×900) or better

System Requirements

Connection method with the printer*	USB or LAN connection

* For details on the connection methods (interface specifications), see the following.

 ["Specifications Table" on page 17](#)

System Requirements

Web Config

Web Config is an application that runs in a web browser on a computer or smart device connected to the same network with the printer.

 *Administrator's Guide*

Windows

Browser	Internet Explorer 11, Microsoft Edge, Firefox ^{*1} , Chrome ^{*1}
Connection method with the printer ^{*2}	LAN connection

*1 Use the latest version.

*2 See the following for details on the network interfaces.

 ["Specifications Table" on page 17](#)

Mac

Browser	Safari ^{*1} , Firefox ^{*1} , Chrome ^{*1}
Connection method with the printer ^{*2}	LAN connection

*1 Use the latest version.

*2 See the following for details on the network interfaces.

 ["Specifications Table" on page 17](#)

System Requirements

Epson Edge Dashboard

 **Important:**

Make sure the computer on which the Epson Edge Dashboard is installed meets the following requirements. If these requirements are not met, the software cannot monitor the printer correctly.

- Disable your computer's hibernate function.*
- Disable the sleep function so that the computer does not enter sleep status.*

Windows

Operating system	Windows 10 / Windows 10 x64 Windows 8.1 / Windows 8.1 x64 Windows 8 / Windows 8 x64 Windows 7 SP1 / Windows 7 x64 SP1
CPU	Multi-core processor (3.0 GHz or better recommended)
Available memory space	4 GB or more
Hard disk (Available volume to install)	2 GB or more
Display resolution	1280 x 1024 or better
Connection method with the printer	High Speed USB Ethernet 1000Base-T
Browser	Internet Explorer 11 Microsoft Edge

Mac

Operating system	Mac OS X 10.7 Lion or later
CPU	Multi-core processor (3.0 GHz or better recommended)
Available memory space	4 GB or more
Hard disk (Available volume to install)	2 GB or more
Display resolution	1280 x 1024 or better
Connection method with the printer	High Speed USB Ethernet 1000Base-T
Browser	Safari 6 or higher

Specifications Table

Specifications Table

The (A) and (B) letters used in the table represent the printer models as shown below.

(A):SC-P9500 Series

(B):SC-P7500 Series

Printer Specifications	
Printing method	PrecisionCore inkjet technology
Nozzle configuration	800 nozzles x 12 colors (Cyan, Vivid Magenta, Yellow, Light Cyan, Vivid Light Magenta, Orange, Green, Violet, Photo Black, Matte Black, Gray, Light Gray)
Resolution (maximum)	2400 x 1200 dpi
Control code	ESC/P raster (undisclosed command)
Paper feed method	Friction feed
Built-in memory	2.0 GB
Rated voltage	AC100-240 V
Rated frequency	50/60 Hz
Rated current	3.4-1.6 A
Power consumption	
Printing	(A): Approx. 110 W (B): Approx. 85 W
Ready mode	Approx. 32 W
Sleep mode	Approx. 3.4 W
Power off	Approx. 0.3 W

Printer Specifications	
Temperature	
Printing	10 to 35 °C (15 to 25°C is recommended)
In storage (Before unpacking)	-20 to 60 °C (Within 120 hours at 60 °C, within a month at 40 °C)
In storage (After unpacking)	Ink charged: -10 to 40 °C (Within a month at 40 °C) After Ink discharged*1: -20 to 25 °C (Within a month at 25 °C)
Humidity	
Printing	20 to 80 % (40 to 60% is recommended. without condensation)
In storage	5 to 85 % (without condensation)
Temperature and humidity operating range (the range shown by diagonal lines is recommended)	
Dimensions (Width x Depth x Height)	
Printing*2	(A): 1909 x 2211 x 1218 mm (B): 1401 x 2211 x 1218 mm
Storage	(A): 1909 x 667 x 1218 mm (B): 1401 x 667 x 1218 mm
Weight*3	(A): Approx. 153.8 kg (B): Approx. 121.8 kg

*1 Use the **Discharging/Charging Ink** menu in the Maintenance menu to discharge ink from the printer.
User's Guide(online manual)

*2 With the paper basket open

*3 Not including the ink cartridges

Specifications Table

 **Important:**
Use the printer at an altitude of 2000 m or less.

Interface Specifications	
USB port for a computer	Hi-Speed USB
Ethernet* ¹ Standards	IEEE802.3u (100BASE-TX) IEEE802.3ab (1000BASE-T) IEEE802.3az (Energy Efficient Ethernet)* ²
Network Printing Protocols/Functions* ³	EpsonNet Print (Windows) Standard TCP/IP (Windows) WSD Printing (Windows) Bonjour Printing (Mac) IPP Printing (Mac) Printing from FTP client
Security Protocols	SSL/TLS (HTTPS Server/Client, IPPS) IEEE802.1X IPsec/IP Filtering SMTPS (STARTTLS, SSL/TLS) SNMPv3

*1 Use a category 5 or higher STP (Shielded twisted pair) cable.

*2 The connected device should comply with IEEE802.3az standards.

*3 EpsonNet Print supports IPv4 only. The others support both IPv4 and IPv6.

Ink Specifications	
Type	Dedicated ink cartridges
Pigment ink	(Cyan, Vivid Magenta, Yellow, Light Cyan, Vivid Light Magenta, Orange, Green, Violet, Photo Black, Matte Black, Gray, Light Gray)
Use by date	See the expiration date printed on the ink cartridge package or on the cartridge (store at normal temperature)
Print quality guarantee expiry	One year (after installing to the printer)

Ink Specifications	
Storage temperature	
Uninstalled	-20 to 40°C (Within four days at -20 °C, within a month at 40 °C)
Installed	-10 to 40°C (Within four days at -10 °C, within a month at 40 °C)
Transporting	-20 to 60°C (Within four days at -20 °C, within a month at 40 °C, within 72 hours at 60 °C)
Cartridge capacity	700 ml, 350 ml, 150 ml

 **Important:**

- We recommend that you remove and shake the installed ink cartridges once every three months to ensure good print quality.
- The ink freezes if left at below -20 °C for a long time. If it does freeze, leave it at room temperature (25 °C) for at least four hours.
- Do not refill the ink cartridges.

Where To Get Help

Technical Support Web Site

Epson's Technical Support Web Site provides help with problems that cannot be solved using the troubleshooting information in your product documentation. If you have a Web browser and can connect to the Internet, access the site at:

<https://support.epson.net/>

If you need the latest drivers, FAQs, manuals, or other downloadables, access the site at:

<https://www.epson.com>

Then, select the support section of your local Epson Web site.

Contacting Epson Support

Before Contacting Epson

If your Epson product is not operating properly and you cannot solve the problem using the troubleshooting information in your product documentation, contact Epson support services for assistance. If Epson support for your area is not listed below, contact the dealer where you purchased your product.

Epson support will be able to help you much more quickly if you give them the following information:

- Product serial number
(The serial number label is usually on the back of the product.)
- Product model
- Product software version
(Click **About**, **Version Info**, or similar button in the product software.)
- Brand and model of your computer
- Your computer operating system name and version
- Names and versions of the software applications you normally use with your product

Where To Get Help

Help for Users in North America

Epson provides the technical support services listed below.

Internet Support

Visit Epson's support website at <https://epson.com/support> and select your product for solutions to common problems. You can download drivers and documentation, get FAQs and troubleshooting advice, or e-mail Epson with your questions.

Speak to a Support Representative

Dial: (562) 276-1300 (U.S.), or (905) 709-9475 (Canada), 6 am to 6 pm, Pacific Time, Monday through Friday. Days and hours of support are subject to change without notice. Toll or long distance charges may apply.

Before you call Epson for support, please have the following information ready:

- Product name
- Product serial number
- Proof of purchase (such as a store receipt) and date of purchase
- Computer configuration
- Description of the problem

Note:

For help using any other software on your system, see the documentation for that software for technical support information.

Purchase Supplies and Accessories

You can purchase genuine Epson ink cartridges, ribbon cartridges, paper, and accessories from an Epson authorized reseller. To find the nearest reseller, call 800-GO-EPSON (800-463-7766). Or you can purchase online at <https://www.epsonstore.com> (U.S. sales) or <https://www.epson.ca> (Canadian sales).

Help for Users in Europe

Check your **Pan-European Warranty Document** for information on how to contact Epson support.

Help for Users in Taiwan

Contacts for information, support, and services are:

World Wide Web (<https://www.epson.com.tw>)

Information on product specifications, drivers for download, and products enquiry are available.

Epson HelpDesk (Phone: +0800212873)

Our HelpDesk team can help you with the following over the phone:

- Sales enquiries and product information
- Product usage questions or problems
- Enquiries on repair service and warranty

Help for Users in Australia/New Zealand

Epson Australia/New Zealand wishes to provide you with a high level of customer service. In addition to your product documentation, we provide the following sources for obtaining information:

Your Dealer

Don't forget that your dealer can often help identify and resolve problems. The dealer should always be the first call for advise on problems; they can often solve problems quickly and easily as well as give advise on the next step to take.

Internet URL

Australia

<https://www.epson.com.au>

New Zealand

<https://www.epson.co.nz>

Access the Epson Australia/New Zealand World Wide Web pages.

The site provides a download area for drivers, Epson contact points, new product information and technical support (e-mail).

Epson Helpdesk

Epson Helpdesk is provided as a final backup to make sure our clients have access to advice. Operators on the Helpdesk can aid you in installing, configuring and operating your Epson product. Our Pre-sales Helpdesk staff can provide literature on new Epson products and advise where the nearest dealer or service agent is located. Many types of queries are answered here.

The Helpdesk numbers are:

Australia	Phone:	1300 361 054
	Fax:	(02) 8899 3789
New Zealand	Phone:	0800 237 766

We encourage you to have all the relevant information on hand when you ring. The more information you prepare, the faster we can help solve the problem. This information includes your Epson product documentation, type of computer, operating system, application programs, and any information you feel is required.
