

Cautions and Notes

Cautions must be observed to avoid damage to your equipment.

Notes contain important information and useful tips on the operation of your printer.

Software Installation Guide

If you use the printer by connecting to PC, install the software following this manual.

Installing the Printer Software

1. Make sure the printer is turned off and the green light around **Print** button is off.
2. Connect the printer and computer with a USB cable, then insert the printer software CD into the CD-ROM drive.

3. Install the printer software.

Select your country or area of residence if the selection window appears. Then except where otherwise instructed, click or double-click the areas circled to proceed.

Caution:

Turn off all virus protection programs before installing the printer software.

Note:

If the language selection window appears, select your preferred language.

For Windows

The following screen appears. Click Easy Install and follow the on-screen instructions.

Note:

If the installer dialog box does not appear, double-click the CD-ROM icon.

For Mac OS X 10.2 or later

Note:

- This software does not support the UNIX File System (UFS) for Mac OS X. Install the software on a disk or in a partition that does not use UFS.
- This product does not support the Mac OS X Classic environment.

Double-click the Mac OS X icon, then click Easy Install. Follow the on-screen instructions.

After installation is complete, see the online Reference Guide for detailed information about printing from your computer for the first time.

The CD-ROM includes EPSON PRINT Image Framer Tool, PIF DESIGNER, EPSON Easy Photo Print, PRINT Image Framer (P.I.F. Frames), EPSON Creativity Suite and EPSON EasyPrintModule.

EPSON Easy Photo Print is a fun and easy to use program with a number of features that help you create outstanding photos. It also allows you to create borderless photos.

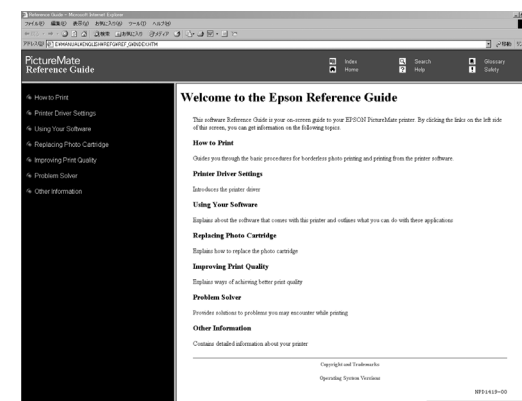

For more details about the software, see Using your Software in the online Reference Guide.

Viewing the online Reference Guide

The online Reference Guide provides detailed information about printing from a computer, printer maintenance, problem solving, software and safety.

To view the online Reference Guide, double-click the  **PM2005 Reference Guide** icon on the desktop.

In Windows, you can also access the online Reference Guide via the Start menu. To do so, click **Start**, point to **All Programs** in Windows XP or **Programs** in Windows Me, 98, or 2000, point to **EPSON**, then select **PM2005 Reference Guide**.
