1. Unpacking

Note:

Do not open the ink cartridge package until you are ready to install it in the printer. The cartridge is vacuum packed to maintain its reliability.

2. Removing Protective Tape

3. Turning On

4. Preparing the Ink Cartridges

5. Installing the Ink Cartridges

6. Ink Charging

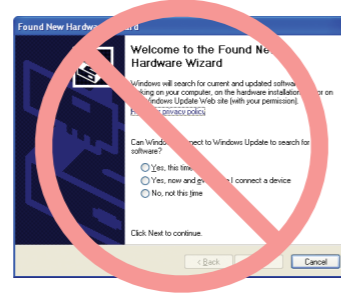

Note:

The ink cartridges first installed in your printer will be partly used to charge the print head. Subsequent ink cartridges will last for their full rated life.

7. Installing the Software

Do not connect the USB cable until you are instructed to do so.

If this screen appears, click **Cancel**.
