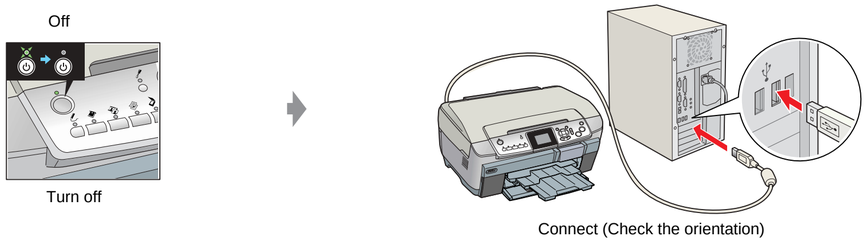
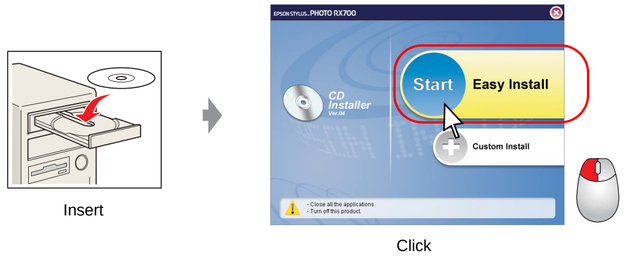
9. Connecting to a Computer and Installing the Software



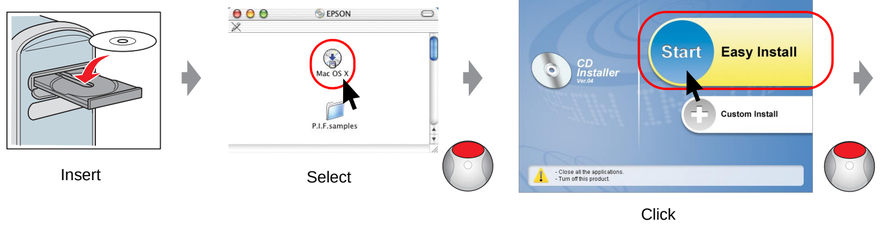
For Windows



Follow the on-screen instructions.

❏ If the installer dialog box does not appear, double-click the CD-ROM icon.

For Mac OS X



Follow the on-screen instructions.

❏ For Mac OS 9 users: Access the following site to download the driver.
http://tech.epson.com.au/downloads/downloads.asp

Troubleshooting

Plug in the power cord securely.

❏ Slide the transportation clamp to the unlocked position.

❏ Open the cartridge cover and make sure the ink cartridges were securely inserted until they clicked into place.

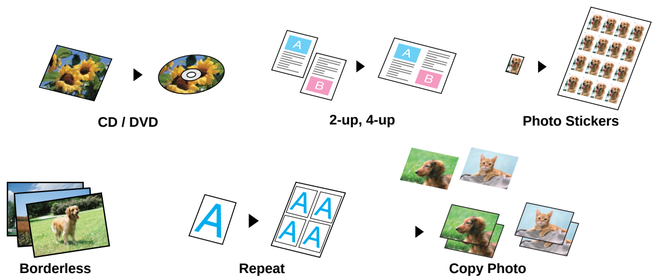
❏ Before loading the paper, remove the paper from the sheet feeder, Fan the stack of paper, then tap it on a flat surface to even the edges.

❏ Connect the USB cable correctly.

❏ Make sure that the printer driver and scanner driver have been installed correctly.

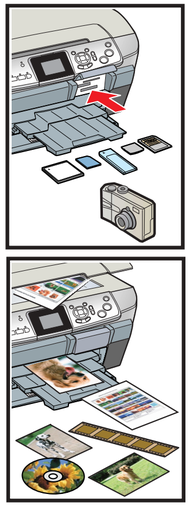
Features

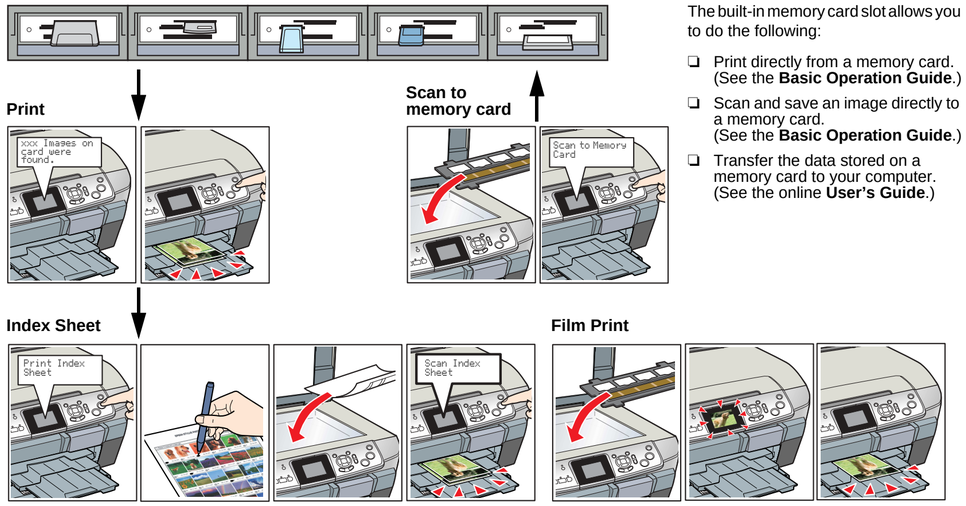
Copying



For more information on using the copy functions, see the **Basic Operation Guide**.

Direct Printing and Scanning





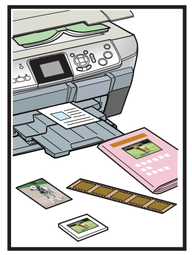
The built-in memory card slot allows you to do the following:

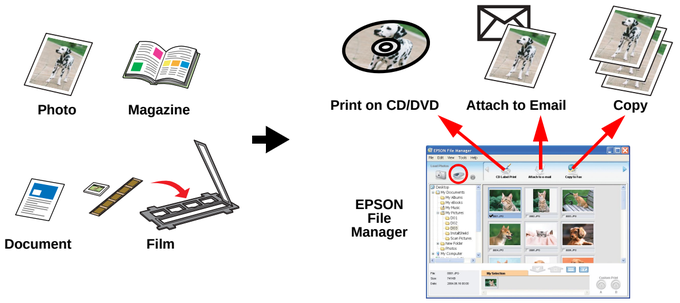
❏ Print directly from a memory card. (See the **Basic Operation Guide**.)

❏ Scan and save an image directly to a memory card. (See the **Basic Operation Guide**.)

❏ Transfer the data stored on a memory card to your computer. (See the online **User's Guide**.)

Scanning

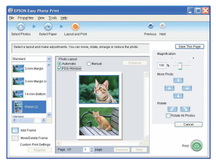




You can use EPSON File Manager to scan images quickly and easily, then attach them to e-mail, make copies, and so on.

Printing

EPSON Easy Photo Print



Use EPSON Easy Photo Print to make photos, postcards, and posters easily.
