## Installing the Ink Cartridge
### 3

✎ For the initial setup, make sure you use the ink cartridge that came with this product. This cartridge cannot be saved for later use. The initial ink cartridge will be partly used to charge the print head. This cartridge may print fewer pages compared to subsequent ink cartridges.
**❶**

Open.

**❷**

Shake the cartridge and then unpack.

**❸**

Remove only the yellow tape.

**❹**

Insert the cartridge. Press until it clicks.

**❺**

Close.

**❻**

Press to start charging ink.

**❼**

```
Complete
Initialization is com|
```

Wait until the charging is finished.

**❽**

```
Copy   Copies : ♦ 1
A4/Plain Paper/Act
```
Now install CD and follow the instructions.

---

**Connecting to the Computer**

**4**
Do not connect the USB cable until you are instructed to do so.

If the Firewall alert appears, allow access for Epson applications.

**❶**
