Safety Instructions

Use only the power cord that comes with the printer. Use of another cord may cause fire or shock. Do not use the cord with any other equipment.
Be sure your AC power cord meets the relevant local safety standard.

Except as specifically explained in your documentation, do not attempt to service the printer yourself.

Do not let the power cord become damaged or frayed.

Place the printer near a wall outlet where the power cord can be easily unplugged.

Keep ink cartridges out of the reach of children.

Do not place or store the product outdoors, near excessive dirt or dust, water, heat sources, or in locations subject to shocks, vibrations, high temperature or humidity.

Take care not to spill liquid on the product and not to handle the product with wet hands.

Keep this product at least 22 cm away from cardiac pacemakers. Radio waves from this product may adversely affect the operation of cardiac pacemakers.

If the LCD screen is damaged, contact your dealer. If the liquid crystal solution gets on your hands, wash them thoroughly with soap and water. If the liquid crystal solution gets into your eyes, flush them immediately with water. If discomfort or vision problems remain after a thorough flushing, see a doctor immediately.

Be careful when you handle used ink cartridges, as there may be some ink around the ink supply port. If ink gets on your skin, wash the area thoroughly with soap and water. If ink gets into your eyes, flush them immediately with water. If discomfort or vision problems continue after a thorough flushing, see a doctor immediately. If ink gets into your mouth, spit it out immediately and see a doctor right away.
